

BACHELOR OF SCIENCE – EDUCATION – ELEMENTARY SCHOOL PROFESSIONAL EDUCATION PROGRAM

This program covers special instructional methods in science, health, reading, student and program assessment (tests and measurements), curriculum, guidance, multicultural and human relations, classroom management, special education, and other pertinent professional topics and issues.

Elementary majors will intern at a primary level (K-3) and an intermediate level (4-6). Students who have PK-12/7-12 endorsements in addition to their elementary major/endorsement will intern in their elementary area for part of the Internship semester and in the PK-12/7-12 area for the other portion of the Internship semester.
