

BACHELOR OF ARTS - COMPREHENSIVE MAJOR IN INTERDISCIPLINARY STUDIES

Special Requirements

- Application for the Bachelor of Arts with a Comprehensive Major in Interdisciplinary Studies must be made to the Dean of Curriculum prior to completing 90 course credits of college credit.
- At least 30 of the total course credits must be completed through Chadron State College's coursework. The balance may be obtained through approved CLEP or Internships. No more than 42 course credits may be earned through a combination of experiential credit programs (CLEP, Internships), with not more than 18 course credits earned from any one experiential credit program.
- Following acceptance into the program, students must meet with the Dean of Curriculum or designated academic advisor to complete an official plan of study.
- Hours used to fulfill an Interdisciplinary major may not be used to fulfill additional majors or minors.

Code	Title	Credits
	Essential Studies	39
	Course credits from courses selected in consultation with academic advisor ¹	57
	Electives	24
	Total Credits	120

¹ A minimum of 40 credits must be 300 or 400 level courses.
