

TECHNOLOGY REQUIREMENTS

CSC Online

If students are required to complete coursework online, access to the learning management system, CSC Online - Canvas (<https://chadron.instructure.com/>), will be provided.

MyCSC Student Access

CSC students are required to use the electronic resource **MyCSC** to access information.

From **MyCSC**, students will be able to:

- Check “to do” list
- View and pay bill
- Add and drop courses
- View, accept, and decline financial aid
- Change contact information
- View advisors
- Check their academic requirements (degree audit)

How to log in to MyCSC:

1. Go to <http://www.csc.edu>
2. Click on **MyCSC**
3. Enter NUID and password or click on Show Campuses and enter your CSC credentials

EagleMail

Every student applicant is given an EagleMail account. **A student's EagleMail account is the official email address for all communication from CSC offices and instructors. Students are strongly encouraged to check their EagleMail account frequently.**

IT Help Desk

Students can contact the IT Help Desk by calling 308-432-6311 or emailing helpdesk@csc.edu for assistance with technology-related issues.
